## WHERE TO DELIVER YOUR EXHIBITS

**The show moved in 2023! Please check the show map on our website before you deliver your exhibit, so as to familiarise yourself with the location of the pavilion you need to go to. The new show location is on the western side of the Freds Pass Reserve, around the Lakeview Hall. Look out for signage to help you find your way, and allow time to get lost!**

**VEHICLES:** Please note you are entering a busy construction zone when you drop off your exhibits and there will be other vehicles and machinery in the area. If you need to bring your exhibits in by vehicle, you can do so, however you must remove your vehicle from the show grounds immediately after dropping off. Where you have parked might be where a site needs to bump in! If you need to stay for a longer period of time, you can park your vehicle across the road near the Sand Arena on the corner of Central Corridor and Melville Way and return to the grounds on foot.

### NT Show Council Schools Awards

## Poultry Young Judges Championship

This is an exciting opportunity for young people to compete in a poultry judging competition – a first in the NT. Entering the Poultry Young Judges Championship is free but there are limited entries – only 5 per age group (7-11 years, 12-17 years and 18-25 years).

Competitors must have at least one bird entered in the pure-bred classes in the 2024 Freds Pass Rural Show (i.e. not Backyard Poultry).

The poultry judge at the 2024 Freds Pass Rural Show, Gary Phillips (NSW), will be the Competition Judge for the Poultry Young Judges Championship. He will run a workshop at the show in the morning on Sunday 26 May 2024 for all those competing, to prepare them for the competition on Sunday afternoon. Other interested people can also attend this workshop.

There are two elements to the competition:

1. Judging a group of four birds and placing them from 1<sup>st</sup> to 4<sup>th</sup>
2. Explaining to the judge why you have placed them in this order – what are the good points that reflect the standard for that breed; what features are defects.

Instructions:

1. Enter your own bird/s in a pure-bred class at Freds Pass Rural Show.
2. Enter as a contestant in your age group.
3. Nominate which class you wish to judge when it's time for the competition (probably your own breed e.g. Silkie cockerel, Plymouth Rock pullet).
4. Competitors will be allowed 8 minutes to judge four birds in the class they've nominated. Judging is based on how each competitor catches, examines and returns the bird to the pen, as well as their placings.
5. Competitors will be allowed 2 minutes to explain their placings to the judge. Competitors will be judged on accuracy of their observations; ability to compare birds; speaking ability; and presentation.

Darwin & Rural Poultry Club will run a pre-show preparation workshop for all entrants to have an opportunity to practice judging and speaking. It is not compulsory.

Competitors will be contacted in May with further information. Phone Chief Steward Ros McMillan 0438 831 016 with any queries.
