Application for Sponsorship or Donation

The Coolalinga & Districts **Community Bank** Branch proudly support our local community through our sponsorship and donation programs. We encourage a diverse range of organisations to access this community funding. All sponsorship requests must be received in writing on this application form together with the relevant quotations, financial details and supporting documents.

Definitions

Sponsorship is a partnership whereby funding is provided for a club or event that benefits the local community and provides exposure and opportunities for the Coolalinga & Districts Community Bank Branch to spread the word about the benefits of community banking. Sponsorship is not advertising, hospitality, and return of favour.

Donations are given for the well-being of an individual or community group, at the Board's discretion, with the Board's specific requirement for acquittal.

Contra (value or goods in kind) is where the Bank's products or services are provided in lieu of, or as well as, cash for the payment of a sponsorship. It is a two-way opportunity to speak about, share and promote the bank in return for low value items.

Applications

Groups requesting support will be required to complete an application form, including details about how the funds will be used and encouraging them to consider what their organisation would be able to do to promote the bank and grow the branch within their organisation and the wider community. Application forms are available at the branch, on the Freds Pass Rural Show website or by request from coolalinga@outlook.com.au
